To our Valued Customers,

In response to the COVID-19 virus, it has always and will continue to be our duty to ensure the safety of our customers and staff.

We have implemented the following:

- Employees who have symptoms of acute respiratory illness are recommended to stay home and not come to work until they are free of fever, show signs of a fever, and any other symptoms for at least 24 hours.
- Increased sanitation of equipment and packing areas.
- Increased hand sanitation
- Limited visitor access

We will continue to monitor this situation as it evolves and follow recommendations from the CDC and surrounding government bodies.

Thanks,

Solomon Salins
Food Safety Manager
